WELCOME TO THE CZECH REPUBLIC

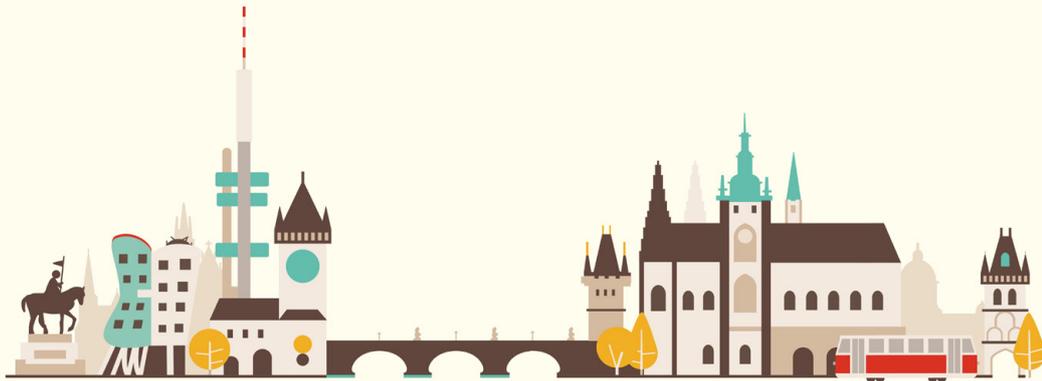

CZECH REPUBLIC

Welcome to the Czech Republic

The Czech Republic is a landlocked country in central Europe. It's divided into three parts: Bohemia (formally called CZE), Silesia and Moravia. It borders with Austria, Germany, Poland and Slovakia. The Czech Republic became an independent state in 1993. Before, it was known as Czechoslovakia, which is mistaken till these days (please don't say Czechoslovakia).

The Czech Republic is known for a big number of castles and beer. Basically, every town in Bohemia has left a piece of history. During your Erasmus stay, we will try to plan some trips to show you some history, nature, or other culture experiences. We hope for normal circumstances and for no other twist of events (such as pandemic).

We suppose that Uncle Google educated you more about the Czech Republic than we could so, here follows only a little summary for you.

Summary

Capital city: Prague

Population: 10 701 777 (2021)

Area: 78 871 km²

Anthem: Kde domov můj? (Where is my home?)

Currency: Czech crown (CZK)

Time zone: UTC (+1)

Other cities: Liberec, Brno, Olomouc, Ostrava

ABOUT THE CITY (HILLS AND RAIN)

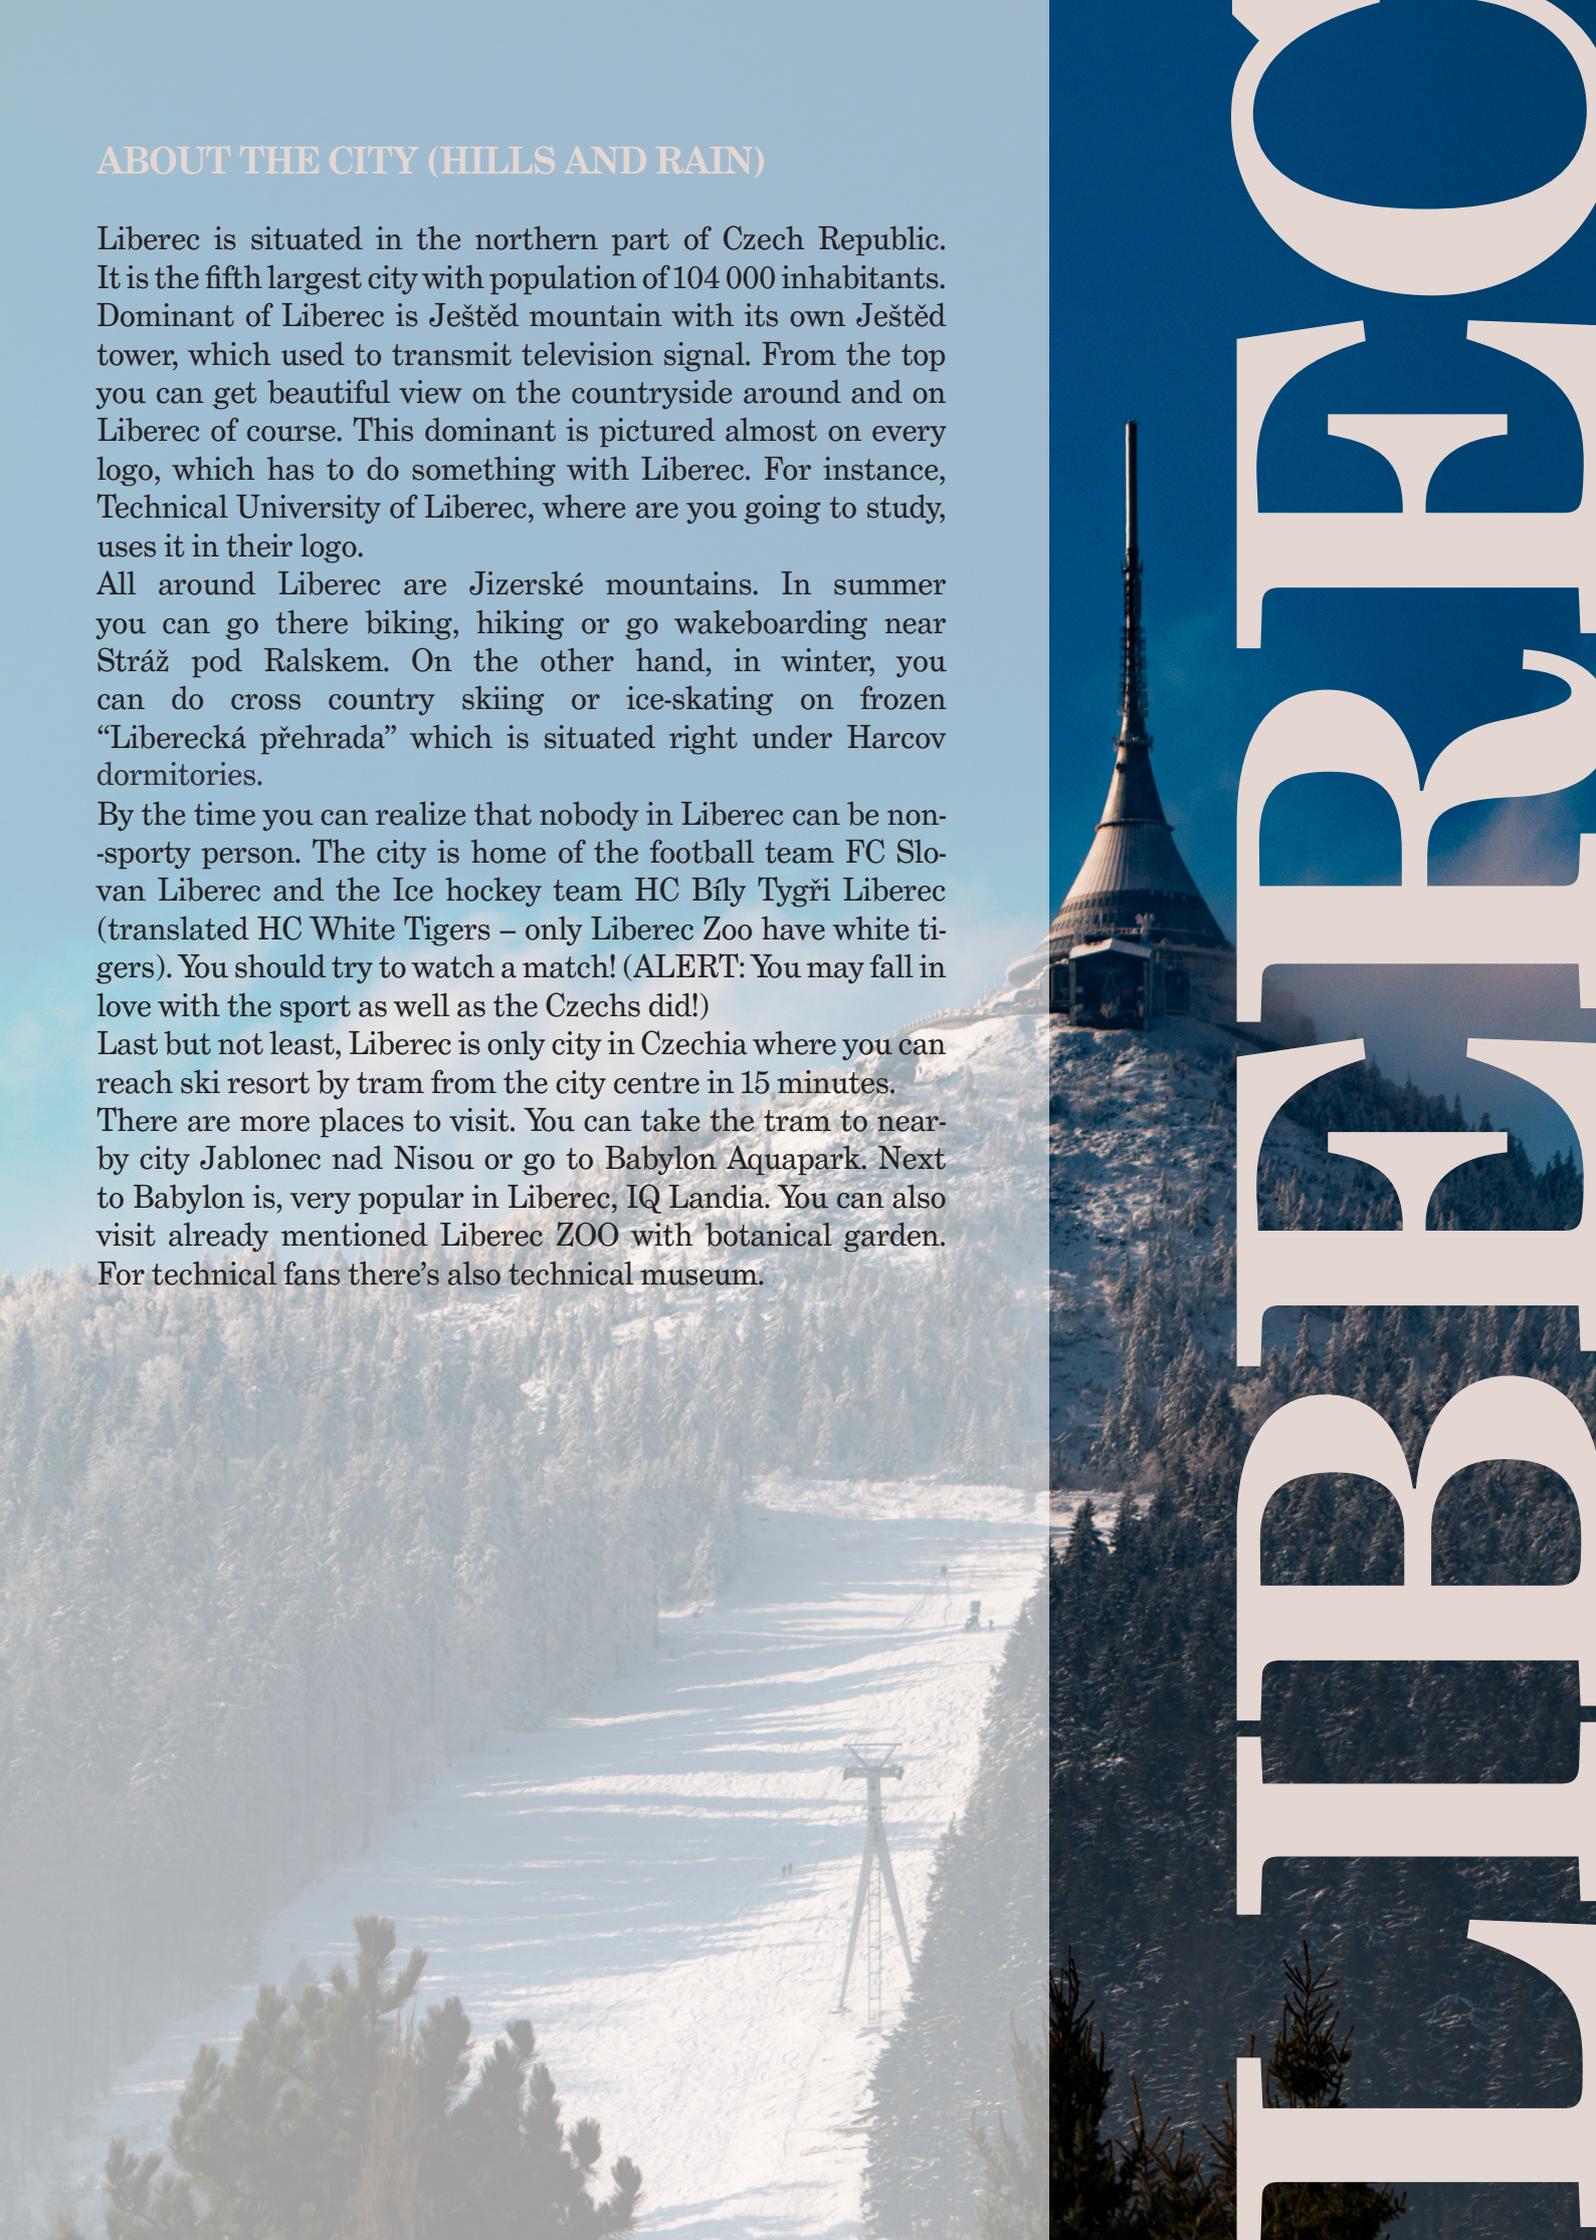

Liberec is situated in the northern part of Czech Republic. It is the fifth largest city with population of 104 000 inhabitants. Dominant of Liberec is Ještěd mountain with its own Ještěd tower, which used to transmit television signal. From the top you can get beautiful view on the countryside around and on Liberec of course. This dominant is pictured almost on every logo, which has to do something with Liberec. For instance, Technical University of Liberec, where are you going to study, uses it in their logo.

All around Liberec are Jizerské mountains. In summer you can go there biking, hiking or go wakeboarding near Stráž pod Ralskem. On the other hand, in winter, you can do cross country skiing or ice-skating on frozen "Liberecká přehrada" which is situated right under Harcov dormitories.

By the time you can realize that nobody in Liberec can be non-sporty person. The city is home of the football team FC Slovan Liberec and the Ice hockey team HC Bílý Tygři Liberec (translated HC White Tigers – only Liberec Zoo have white tigers). You should try to watch a match! (ALERT: You may fall in love with the sport as well as the Czechs did!)

Last but not least, Liberec is only city in Czechia where you can reach ski resort by tram from the city centre in 15 minutes.

There are more places to visit. You can take the tram to nearby city Jablonec nad Nisou or go to Babylon Aquapark. Next to Babylon is, very popular in Liberec, IQ Landia. You can also visit already mentioned Liberec ZOO with botanical garden. For technical fans there's also technical museum.

EMERGENCY NUMBERS

Police CZ: 158

Police city of Liberec: 156

Ambulance: 155

Fire: 150

Universal emergency number at any case: 112

FROM PRAGUE AIRPORT

When you exit the airport, try to find a bus station where stops bus number 100. You have to buy a ticket for 90 minutes. You can buy it from the driver, in some tobacco or ticket machine. You will get on the bus stop ZLIČÍN.

From ZLIČÍN you need to take a subway. Take a train line B (yellow) direction Černý most. ČERNÝ MOST is also your final destination

TO LIBEREC

From ČERNÝ MOST the cheapest and the best solution is “yellow” Student Agency RegioJet bus or FlixBus.

You can buy tickets online (through app or website) or in the office which takes place in Černý most. When you leave subway, you go downstairs and there you will find again “yellow” office.

Keep in your mind that the latest option to take a bus is around 9pm. If you're lucky you can find connection around 11pm.

PUBLIC TRANSPORT IN LIBEREC

It consists of trams, buses and an inter-city tram line between Liberec and Jablonec nad Nisou (as we mentioned earlier).

The main station for the public transport is called Fügnerova. Try to remember it, it's very important.

For transport you have to buy a ticket. Again, you can buy it in every tobacco (there's one in OC Forum which is right on Fügnerova) or at the public transport office at Fügnerova. There are usually ticket machines at the stops or you can buy ticket from a driver (but they don't speak English very well and they might be rude, also the ticket is more expensive).

Every time you enter public transport you have to validate your ticket by putting it in the little yellow machine. (Do it even when you buy a ticket from a driver!)

Which one?

Buses and their stops, which will take you from Fügnerova to dormitories:

N. 15, 29 – “Univerzitní koleje” stop

N. 19 – “Březová alej” stop

Trams and their stations, which will take you from Fügnerova to dormitories:

N. 2 – “Lidové sady” stop

N. 3 – “Lidové sady” stop

(On this stop is also entrance to the ZOO)

Buses and their stops, which will take you to from dorms

(or Fügnerova, you just have to switch sides) to the university:

N. 15

N. 19

N. 29

If you have to go to the University campus (building A, B, C, D, E, F, G) you should get off at the bus stop “Technická univerzita”

If you have to go to the building P the nearest stop is “Poliklinika”

For building H the nearest stop is “Šaldovo náměstí” or Ulice 5. května.

Direction?/ Which way shall I go?

Generally, to the dorms is direction Harcov (you will see it written on the bus).

Direction to the city center is Fügnerova.

Timetables

Basically, every bus stop has its own timetable. The important thing is to know which number you need to take. Second important thing to know is your direction. Make sure that you are standing on the right side of the bus stop and you have right direction which you want to go! (every number can go 2 directions)

Vocabulary

Sobota = Saturday

Neděle = Sunday

Svátky = Holidays

Pracovní dny od ___ do ___ - Working days from ___ to ___

Season ticket

If you want you can buy season ticket (in our opinion, everywhere you go in Liberec, you can easily get there by foot). Season tickets are for 7, 30, 90 days. For an activation, go to the public transport office where you will receive some documents that are unfortunately only in Czech. Take your ISIC card and your buddy with you to help you (Who is buddy will be explained to you further in the document). You will also need some money. Check with your buddy current price of ticket which you want.

Don't forget that activation takes usually a week and also that you need to take your ISIC card always with you when you use public transport. If you buy student ticket, you need to prove that you're a student.

HARCOV DORMITORIES

HARCOV DORMITORIES

Almost all students of the TUL live at the Harcov dormitories. (Maybe because they are the only one in Liberec). This will be your accommodation. Dorms are separated into 6 blocks. Every block has its own letter (A, B, C D, E, F). In every dorm there are flats that consist of 2-3 rooms, one kitchen and 1-2 bathrooms. Every room has 2-3 beds and tables with chair. There's a possibility to ask for a single room but you need to discuss this with the accommodation in advance. If you change your mind after arriving to the dorms it's possible to change rooms, but you have to pay some fee and also it depends on the capacity of the dorms.

At the dormitories, there is plenty of parking spots, so if you're planning on arriving by your own car, you will definitely find a parking spot here.

The dormitory address is 17. listopadu 584, Liberec 15, 460 15, Czech Republic

You should still have your ISIC card with you to prove that you're a student and you are accommodated at the dormitories. With your ISIC card you will be able to pass main door especially after 10pm.

TIP: Join Koleje Harcov group. They're posting some info, or if they're selling something or if they're looking for a partner to play a football with.

For official information from dormitories check www.kolejetul.cz

RULES

Disturbing the silent hours after 10pm is strictly prohibited in the Czech Republic. Remember, that around dormitories also live families and on dorms are living working people. If you are not going to follow this rule you can be approached by the police. It is also forbidden to smoke or have an open fire in the rooms, halls and balconies. You're not allowed to provide accommodation to other person. If you have some visitors, you have to tell it at the reception and pay some fee. Every broken rule will be punished by fine.

HOW TO CHECK IN

Usually, you will have your buddy, who will help you with these administration stuff, but it is possible to do it by yourself as well.

When you arrive, you will go to the reception of your block. You will fill there some forms (which are in English so don't worry) and sign a contract.

It is necessary to have:

Your photograph (3,5 X 4,5 cm)

Room deposit (it will be given back after check-out)

Passport or an ID card

After proper check-in you are going to receive your room card with your photograph and your room keys. You will also receive a special card where you write down all pre-existing damages which you will see in your room right after you get there. Filled paper bring back to the reception so you don't have to pay for the damage you didn't make. Be very precise with filling this paper.

HOW TO CHECK OUT

After is time to leave, you can check out every working day (Monday – Friday) from 7am till 2pm.

Before you can do that, you have to clean your room and your corridor and shared spaces. (You should be precise especially when you're the last one). Everything has to be in perfect condition.

You have to wash curtains, closets, tables, cupboards, doors, floors, walls, windows.

Borrow a vacuum cleaner and vacuum the carpet also behind and under your beds and tables. If you move with furniture you have to put it in its original position. Don't forget the shared spaces as well (kitchen, bathroom). In case you're the first one leaving, you still have to clean one common room.

After the whole-day-preparation for check-out you have to get your form for check out and fill it. After that you can say accommodation lady to check your room. (Recommended to have your Buddy with you because dorms ladies don't speak English at all). Don't forget that lots of people are checking-out, especially after summer semester so take enough time for the check-out process too.

If everything is okay with your room you will be given deposit back and you will pay for the last month. Also, you need to give your accommodation card back.

COUNTRY PRESENTATIONS

Country presentations take place every tuesday evening in the M building. Every night is presented one or two countries, each about 20 min long and it should be full of fun and interesting facts. You can also add videos or performance (for example national dance). In the end of presentation there is tasting of the national food. A few typical meals for tasting is absolutely enough.

On thursday night there are country presentation parties in the HAD club. Every country picks its theme and if they want their own music or DJ.

In the end of the semestr all the aspects of the presentations are being rated by ESNers and the winners get special prizes.
